

**Tarefa 14 professora Milla**

Copie e responda os exercícios em seu caderno. Não se esqueça de colocar a data para melhor organização e identificação da tarefa. 😊😊😊

**01.** Open your books on page 30 and do exercise 1. If necessary, go to page 111 in your book to check vocabulary. Then read the audio script below and answer exercise 2 on page 30.

My doll house was built by my grandpa, who is a contractor, and I got it done in 2011. Each room is about 24 inches, which leaves just enough room for the doll's head. **Glossary:** inch = polegada (1 inch = 2.54 cm) Contractor = construtor

What is the girl talking about? \_\_\_\_\_

**02.** Read and **circle in red** the words related to furniture in the text.

My doll house was built by my grandpa, who is a contractor, and I got it done in 2011. Each room is about 24 inches, which leaves just enough room for the doll's head. In the downstairs of it we have the kitchen, the dining room, and the living room. There is a refrigerator, and it has a whole bunch of food in it. My little sister got me a table for Christmas when I was in the 6<sup>th</sup> grade. It has two chairs and it is so cute. For this past Christmas, my nana got me the Journey Girls Lodge living room set and it's so cute. It comes with two wooden chairs with removable cushions, a coffee table which I have magazines on, and a really awesome fireplace and a TV. The fireplace even lights up!

**03.** Write (true) or (false) in the sentences according to the text on exercise 2.

- a) ( ) The kitchen, the dining room, and the living room are downstairs.
- b) ( ) There's food in the refrigerator.
- c) ( ) There are four chairs at the table.
- d) ( ) There's a fireplace in the living room.
- e) ( ) There are books on the coffee table.

**04.** Answer the following question: 1 inch = 2.54 cm. 24 inches = \_\_\_\_\_.

**05.** Get the camera of your cellphone, scan the QR code and watch this video for next week.
