Last month I went to Boston to see my friend. My friend and I went to our favorite campsite in the mountains. It is near the top of Mount Greylock in the Berkshires. The view was spectacular in the evening. The sky turned bright orange and pink as the sun set behind the hills. I could see the valleys and rivers from the tower at the top of the mountain. I did very exciting things. First of all, there was a small pond near the campsite so I swam a lot when I got hot. Also, we went on hiking every morning because there were good hiking trails hiking every. I had lots of fresh air during my stay on the mountain. There was a small village near our campsite. In the afternoons I and my friend walked there so I had fresh food every day, and especailly I had delicious fish. In the evenings we set a campfire and told stories to each other around the fire. As you can see I enjoyed a lot and had a wonderful time during my trip.
